Objectives

My main objective is to seek more knowledge of how computer science solves real world problems and obtain an internship position with the skills I have in a technical environment.

Education

- Morrow High school | High School Diploma | 2015-2019 | 3.7 GPA
- Georgia State University | 2019-Current | 3.72 Overall GPA | 3.87 CS GPA

Relevant Coursework

- Principles Of Computer Science 1 and 2, Theoretical Foundations of Computer Science, Data Structures, Computer Organization and Programming, System Level Programming, Data Mining

Activities

- Georgia State University's Computer Science Club   2019 - Current
- Georgia State University's Panther Hackers   2019 - Current
- Georgia State University's Cyber Security Club   2022 - Current

Skills

- Software: Microsoft Visual Studio Code and Microsoft Office Suite
- Programming: Java, Python, C, HTML, CSS, and Assembly
- Social: Fast Learner, Communicative, Honest, Committed, Dedicated
- Operating Systems: Unix, Linux, and Windows

Projects

School Management System (2020)

- Designed a simple and intuitive graphical user interface from java swing that allows users to register and edit students and teachers. MYSQL was used for connecting to the database.

Personal Website (2021)

- A portfolio website for displaying personal work. Website was built with HTML and CSS.
